Dear Cal Trans,

Thank you for participating in our Career Awareness Day. The teachers and students enjoyed your outstanding informative presentation. Your interaction with our students provided them added incentive and motivation to actively engage in their daily classroom activities. They can now begin to examine career alternatives when they enter the world of work.

This was a memorable day for our students. The fact that you took time from your busy schedule to be with us was commendable. It is a pleasure to have concerned persons join the school in the effort to educate the whole child – our future leaders and citizens.

Thank you again and we look forward to your ongoing support. — see you again

Sincerely,

Richard Lioy
